Feel free to give free copies of this little book to anyone.

Feel free to copy the format of this little book and write your own little book of music recommendations.

If you like just one out of every ten of my recommendations, I consider that an absolute win.

As we all know, the sixteen-year-old girl in charge of the WWW frequently changes things, so prices and availability of my recommendations may change without warning. (All of the other sixteen-year-old girls and boys who have been in charge of the WWW did the same things.)

This little book contains many Web page addresses. When in case of doubt, to help see if a Web page is safe, use

<https://transparencyreport.google.com/safe-browsing/search>

If you are OK with paying for the music, you can use PAYPAL or CREDIT CARD, but I recommend that you buy yourself a Bandcamp gift card so that you don't need to keep track of many small transactions. Songs almost always can be purchased separately so you don't have to buy a full album unless you want to.

And we, too, brothers, we’ll live happily in our land.

We’ll not spare either our souls or bodies to get freedom

And we’ll prove that we brothers are of Kozak kin.

We’ll rise up, brothers, all of us, from the Sain to the Don,

We won’t let anyone govern in our motherland.

The Black Sea will smile yet, grandfather Ddnipro will rejoice,

Yet in our Ukraine luck will be high.

Our persistence, our sincere toil will prove its rightness,

Still our freedom’s loud song will spread throughout Ukraine.

It’ll reflect upon the Carpathians, will sound through the Steppes,

And Ukraine’s glory will arise among the people.

Ukraine is not yet dead.

Ukraine is not yet dead, nor its glory and freedom,

Luck will still smile on us brother-Ukrainians.

Our enemies will die, as the dew does in the sunshine,
